Passion Time

We will be having our Passion Time sharing assembly tomorrow morning to celebrate all the amazing activities the children were engaged in.

Production

Don't forget to get your tickets for the production, we are selling out fast. Greg our amazing caretaker is doing a great job, setting up the undercover area as a theatre. Thank you to all of you who are helping create costumes and props too. The excitement is building!

The Premiere Screening of Heather Hunt's Book

Trinity Anderson, Rosa Hunter-Willetts and George Russell, represented our school at this event held at Parua Bay School. Trinity and Rosa spoke very well in front of a large audience about why Kiwis are important to us. George ably assisted on the stand we had set up.

Adam Willetts attracted a lot of people to our table with his catch a stoat in a trap activity. This gave us the opportunity to talk to people about what is happening at our school. Thank you to Adam and Alex Hunter for setting up the display and supporting the Enviro-group children.

Northland Primary School Cross Country

Congratulation to our four students who have been invited to race in the Northland Primary School's Cross Country event next Wednesday. Andrew, Leroy, Tristan (8 year old's) and Bruno (9 year old) earned a spot in the event by finishing in the top 20 at the recent Whangarei Primary School Cross Country. We wish them all the best for a great race.

Thursday Morning Mini-van run

We still need someone urgently who can drive the mini-van on Thursday mornings. Please contact the office if you can help.

Each year DOC works with community groups across Aotearoa to spread the conservation message. It's a nationwide celebration of kiwis pitching in to help our native plants and animals.

This year the Bream Head Conservation Trust is holding a family friendly event during Conservation Week.

On Sunday 16th September please join us at Urquhart Bay (carpark end) from 1pm for some fun family activities.

1. We will have copies of the Smugglers Bay Loop Track Adventure Map – this is one of the Toyota Kiwi Guardian Tracks, it's an easy 3km, 1.5 hour walk, you can explore and follow the clues ... Look out for the Guardian Post on the way and when you find it you'll find a special code word - write it down.
2. Take part in our "collect and sort" rubbish pick-up, on the way around the Smugglers Loop, or in Urquhart Bay.
3. Paint some rocks to hide – hide them locally or take them home to hide – maybe you'll find some nearby today ...
4. Find out about the work that is happening in the Bream Head Scenic Reserve ...
5. Enjoy a free sausage sizzle – we hope to see you there!

School Production 2018

Turangawaewae

Our Place

We are in full swing with whole school rehearsals for this year's school production. The children are doing so well with remembering their lines, using good expression and volume, knowing where to position themselves on stage, and performing in front of an audience – the school for now, in preparation for the large family audience.

It would be great if your child had good sleeps (no late nights) leading up to the shows, as they will need to draw on their inner strength, resilience, patience and ability to perform at their very best.

PRODUCTION DETAILS

Wednesday 19th September Matinee Show starts 1:00pm

Wednesday 19th September Children arrive 6:00pm

Evening Show starts 6:30pm

Thursday 20th September Children arrive 6:00pm
