Car Boot Sale

We are all keeping our fingers crossed that the Car Boot Sale can go ahead on Sunday. The weather for the day is predicting showers, so we will go ahead if that is the case. We will make a call early Sunday morning if the weather is too bad.

It would be great to see a big school and community turn out to support our school. Thank you to Dulcie Herring and Ellie Gwilliam for organising the event. Room 2 have been doing lots of cooking and preparing for their stall as part of their learning this week, so lots of great smells coming out of the Staffroom kitchen.

Kapahaka Festival

Next Thursday our whole school will be attending the Kapahaka festival at Raurimu School. We have booked a bus which will take the majority of our children and we will also use the Minivan. We do need some parents to transport children, please can you let Alex or myself know if you can help.

Our Kapahaka group will be performing at 1pm. We will be running the Festival next year, hence being last to perform as there will be a handover to our school. There will be a sausage sizzle, smoothies, mince and fried bread and a coffee truck. Nothing will cost more than \$5. However, children should bring morning tea and lunch, a drink bottle, warm clothes a hat and sunscreen.

Sports

This week all our children have taken part in Cricket activities and have had a great time, we will have another session next week.

Greg has marked out the running track for our athletics. Classes have already started practicing ready for the competitions at Parua Bay in week 4, and then the Whangarei Championships a few weeks later.

Well-being

Last week we had a meeting with the Well-being Group, made up of parents, teachers, our RTLB (Resource Teacher for Learning and Behaviour) Gretchen, her team leader and two student representatives. We are sharing lots of ideas, some of which will be put into action next year to ensure that we are preparing our children for the future.

As part of our aim to include student voice, this week at our Tuesday assembly the children brainstormed what words they felt were important to our school to ensure a safe and happy environment. Their input will for part of our future actions next year.

Friday Sharing Assembly:

Room Three will be sharing their learning.

CAR BOOT SALE Sunday, 28th October 10am to 1pm

PLEASE support our annual Car Boot Sale this weekend. Each class has been assigned a stall to take care of and we have a roster at the office (or Dojo your child's teacher) if you can help. We are after the following: Paper bags, and second hand books.

Room 3 are looking for **HOME BAKING**, both savoury and sweet and if there's anyone who can bake and prepare scones with jam and cream let us know, **THANKS!**

Featuring: Bouncy castle, pony rides, face painting, coffee, cake stall, sausage sizzle
All proceeds go to the school for playground and sports equipment.

Book a stall or come and grab a bargain. Tell friends and family about this fun event!

SCHOOL PHOTOS - Class and individual photos will take place here on Monday 12th November. Sibling photos can also be taken by prior arrangement.

Please keep school payments rolling in: We encourage you to use internet banking for any school payments.
