

Ngā mihi nui ki a koutou katoa - Greetings to you all!

Te Wiki o Te Reo Māori or Māori Language Week begins on Monday 14th September! Although we celebrate our cultural heritage and encourage the practice of using te reo Māori throughout the year, during Te Wiki o Te Reo Māori your child/ren are taking part in some additional activities to promote te reo Māori, me ōna tikanga at Whangarei Heads School.

The chosen theme for 2020 is again 'Kia Kaha te Reo Māori'.

'Kia Kaha' is well understood in New Zealand English with its meaning of 'be strong'. We often talk about languages as if they are people - talking about language health, strength and revitalisation. So when we say 'Kia Kaha te Reo Māori' we're saying - 'Let's make the Māori language strong'.

Why a week? Why not a year? Why not a decade? A century?

Because New Zealand is revitalising the Māori language and a part of that is a celebration of our success and promoting te reo Māori. Māori language week is an opportunity for concentrated celebration, promotion and encouragement. Every minute of every hour of every day is a Māori language minute. We can choose to use te reo and every time we do, even just a 'Kia ora!' we contribute to the revitalisation of the Maori language.

Everyone can contribute to te reo Māori revitalisation:

- ✚ Make te reo welcome at work and in the community
- ✚ Encourage others to use and learn te reo Māori; welcome Māori language into your life
- ✚ Pronounce Māori words correctly when speaking English
- ✚ Learn a little, use a little
- ✚ Learn more, and use what you know
- ✚ Keep improving your language, and share what you know

Kia pai tō wiki and enjoy practising using te reo in your daily interactions with others like our wonderful tamariki! <https://www.tewikiotereomaori.co.nz/rauemi/>
